I am the Holder-in-due Course of My private property and you are a fictitious, foreign corporation. I have absolute jurisdiction and rights and you have none. I have supreme authority and you are operating under "color-of-law;" fraudulently pretending to be a public servant. I Notice you now, only under duress, coercion and threat; under protest as you are in the business of kidnapping children, committing genocide and Treason against America.

Held-Harmless; All Rights Reserved,
